-----------------------	--------------	---------------------	--------------	---------------------	-------------	------------------------	------------

Lamb numbers remained similar compared to the last market and quality overall was plainer with larger percentages of end of season lambs on offer. There were runs of well finished trade weights and heavy lambs penned and the new season lambs slipped in number with only a couple of pens yarded.

New season lambs sold to solid competition as the best reached \$125/head. The older trade weights lost \$3 to \$4/head as some supermarkets failed to compete. These categories ranged from \$96 to \$120/head or an average price from 460c to 469c/kg cwt.

Heavy lambs slipped \$2 to \$4 as the lighter weights sold from \$115 to \$123, whilst the heavier export lambs topped at \$155/head. These categories attained an average price from 431c to 437c/kg cwt.

Sheep were scarce and quality remained mixed. Values eased back with the medium and heavy weights selling from \$85 to \$132/head as the ewe portion overall averaged 371c, while the wethers averaged 390c/kg cwt.
