

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 02 Nov 2011

Yarding Change	11015 1615	Lambs Change	8500 1100	Sheep Change	2515 515	comparison date	26/10/2011
-----------------------	---------------	---------------------	--------------	---------------------	-------------	------------------------	------------

Consignments continue to gain with new season lambs appearing in greater numbers. The majority of the sale contained new season lambs with large percentages lightweights and suitable for restocking purposes. There were also pens of well finished trade weights with very few old lambs in the yarding.

Lightweight new season lambs started out cheaper, however firmed as the market progressed to finish at similar prices compared to the last market. Trade weight new season pens remained firm to \$2 cheaper to range from \$106 to \$136/head or from 521c to 534c/kg cwt.

Heavy new season lambs sold firm to \$1 cheaper selling from \$131 to \$150/head or 512c to 525c/kg cwt.

Sheep numbers lifted and quality overall improved with pens of plainer lightweights together with some heavy drafts. Values remained firm to a shade dearer for the ewe portion as medium and heavy weights sold from \$87 to \$117/head. The ewe portion overall averaged 365c, while the wethers averaged 387c with the best reaching 438c/kg cwt.
