

Detailed saleyard report - sheep and lamb

Market information provided by MLA's National Livestock Reporting Service

CTLX

report date 23 Nov 2011

Yarding Change	11400 -3850	Lambs Change	9400 -2100	Sheep Change	2000 -1750	comparison date	16/11/2011
-----------------------	----------------	---------------------	---------------	---------------------	---------------	------------------------	------------

Rainfall recorded around the supply area reduced numbers and quality remained mixed. Around 8,000 new season lambs were yarded with a large percentage lightweights and suitable for restocker purchases. Older lambs, especially the better finished end, were limited in number and the usual buyers competed with the supermarkets now returning to the market to compete for the fresh new season pens.

The well bred lightweight young lambs to restocker purchases lifted \$3 to top at \$105/head. New season trade weights sold \$4 dearer to range from \$115 to \$140/head or an average price from 531c to 538c/kg cwt.

Heavy weight new seasons sold from \$136 to \$150, while the older heavy weights reached \$148/head. These categories attained an average price from 504c to 528c/kg cwt.

Sheep numbers eased back and quality was mixed. Values lifted \$3 as the medium and heavy weights sold from \$60 to \$116/head with the ewe portion averaging 344c/kg cwt. Wethers averaged 371c with good quality heavy weight Merino wethers topping at 415c/kg cwt.
